News from the Pro

Hello Lone Pine!
I am happy to say golf season is just around the corner! The 2018 Men's and Ladies' golf schedules will be finalized soon. We will be having 2 Hit & Giggle events each month which I know will make everyone happy. Our main goal is to increase participation by making all the events a great experience for the membership!

The Golf Shop will be receiving new product soon and will be fully stocked by the beginning of the season. From clothing to equipment to accessories we can supply all of your golfing needs. We will match equipment prices with all major off-course retail stores. Discounts are available for large quantity orders so please keep us in mind when ordering logo balls and logo apparel for your company. We will also have Demo days in April and May. This is a great way to test all of the latest equipment. The Golf Shop at Lone Pine Country Club is here to provide a total golf experience for the membership.

One of my goals is to make each one of you a better player. I will be holding ladies' clinics, a junior golf camp, private and group lessons. Dates and times will be posted in the next newsletter and reminder emails. Please call the Golf Shop if you are interested.

I strongly believe communication is the key to a successful operation. The entire staff will be meeting throughout the season which will help us better coordinate our efforts for the membership. I also hope all of you can find time for my weekly reminder emails so that we can better communicate. All the information for upcoming events, Golf Shop specials, lesson programs and important golf course information will be listed each week. Sign-up sheets for events will be posted 2 weeks prior to the event by the front door of the Golf Shop. If you are unable to stop by the Golf Shop please feel free to call us for any information needed.

"From the Kitchen"

Hello,

In the best of all possible worlds, February 14 is a pleasant and sentimental opportunity to lavish your partner with attentions or move your relationship to the next level. I presume one could say, "Duane, after 30+ years of marriage, what could be another level?" Well, first, to have been married 30+ years, obviously you have partaken in the first part of the statement. As for the second part, through observations I have made lately, I have come to the conclusion, the next level and perhaps the last level is becoming "best friends again." Just the way it all started in the beginning, completing the full circle of "a Good Marriage." Do you want examples of proof? Just look around this wonderful little club and you will see more than a few examples.

On to something new. Wednesday Nite will change. Starting February 7, we will offer different stations with different types of foods. Such as Feb. 7 brings **Tex-Mex Nite** featuring fajitas and much more. On Feb. 14 we will feature **Custom Pizza and Hoagie Nite**. You create your own pizza and sandwiches. In the following weeks, there will be more to come. A complete listing will be posted in the Grille Room. On February 16, there will be a cooking lesson & dinner. This will be a "hands on" experience with power and hand tools and, hopefully, a lot of fun! Complete information will be posted—call the Office to sign up. Date Nite will be on February 10. The menu will feature two (2) items from the upcoming new Grille Room menu. February 24 will bring a Wine Tasting featuring all Italian wines and, of course, small plates of Italian foods.

Last, but not least, will be the Chili Cook Off. My personal favorite February Event. This year's charity will be **Habitat for Humanity of Washington County**. All money will stay in Washington County!

I've made a lot of mistakes in my life, but if every single one of them had to happen to make sure I was right here, right now, to work with… to associate...and generally be of this wonderful little club...then I forgive myself for all of them!

To All, Take Care!
