The weather this summer has been confused with forty degree mornings at the end of June combined with some wet weather usually associated with spring. Even with all the ups and downs, we were still able to increase the June rounds over the total from last season. I must thank all the members and guests of the members for your understanding through the very wet weather we experienced.

The Month was highlighted by two of our biggest events of the year, the Brotherman Classic and our Men's Invitational Tournament. Both events were played with their biggest fields to date.

In our Men's Invitational we want to congratulate the flight winners and runners up which include:

Augusta National
 J. Meneskie & J. Dyer
 S. Mezyk & N. Mezyk

Cypress Point
 C. Ward & R. Ward
 J.M. Hunter & T. Guess

Merion
 J. McMurray & W. Noble
 B. Rohbacher & A. Gabriel

Oakmont
 J. Laskey & B. McGrew
 D. Billie & Guenther

Pebble Beach
 M. Nath & J. Cox
 G. Thornburg & G. Froelich

Pine Valley
 T. Phalin & R. Phalin
 M. Golaski & C. Fitch

Shinnecock Hills
 S. Heinen & R. Massung
 F. Runco & D. Runco

Overall Champions
 Jim McMurray & Will Noble

Congratulations to all of the winners and thank you to everyone that helped make this year's event the best yet.

For the 3rd Annual Brotherman, we use a blind draw of foursomes for a 1 best net - 1 best gross. We also do a blind draw for the better ball of partners. Both of these formats are redrawn for each day of the event. There is a two day Chicago to determine the individual Brotherman Champion. This year the award went to Mr. Jim McMurray after a great first day of play which gave him a commanding lead for second day.

Please mark your calendars for the upcoming month as the club will be hosting many outings and events. I am particularly excited for the Drive, Chip and Putt qualifier we will be hosting on July 5th. We were notified just before registration closed that there were 140 junior golfers registered for this year. We will have hole 18, the range and part of the putting green closed for the event, but the course (1-17) will be available for regular play. We will also have the Chamber of Commerce on July 7 and the Autism Open on July 21.

I look forward to seeing you at the club.

“From the Course”

I would like to start by thanking all who participated in the Men’s Invitational. I truly think this is a great event and this year was our best to date. The feedback from the event was great. The hard work of all the staff at the club makes this event the success that it is.

July is one of the club’s busiest for rounds which along with the heat of summer can add stress to the turf on the course. There are a few things you can do to help reduce stress to the turf. When possible try and avoid driving the same path with your golf cart. Also, when possible, use the cart paths on the course. Lastly with carts avoid parking close to the greens when possible. Rope and stakes are up to help divert traffic on some troublesome areas and we will continue to move them around to help with cart traffic. Please stay out of these areas. Also, if you take a divot in a fairway or tee use the divot mix provided in the divot boxes or bottles located on the golf carts instead of replacing the divot. Thank you for helping to keep our course looking great!

See you on the course!

Brian Lechliter—Course Superintendent

“From the Kitchen”

Hello,

July is here! In Philadelphia, 13 rockets were fired on July 4, 1777 to recognize the independence of 13 colonies. This set the trend of fireworks display each year. Now, back in the mid 1960's to early 1970's, I would save all of my nickels and dimes to buy fireworks to ensure I had my favorite time of the year bright and colorful, because nothing beat the 4th of July! But, looking back, the 3rd of July might have been more fun. On the evening of the third, I would go around the neighborhood and look at the fireworks that others had bought; taking them out of the brown paper sack and handling them cautiously as if they were precious stones. Then there was a little envy when I saw some sacks with more in them than I had. None the less, they were all fired on the evening of the Fourth. And then I would start saving again on the fifth.

As I see it, the Fourth of July combines two things Americans love most all in one day....alcohol and explosives. With that being said, a strange but true fact about the fourth is: statisticians have made calculations and discovered that, since the birth of our nation, more lives had been lost in celebrating independence than in winning it. On that note, all take care and have a fun and safe Fourth of July!

To All, Take Care,

Duane Steiniweg—Chef

Junior Camps

Sign up for a camp will begin 30 days prior to the start of the camp. We do have to restrict the number of participants to ensure proper instructor to student ratios, so sign up early.

Camps are open to all junior members and the children or grandchildren of members. Friends or extended family of participants may participate if space permits.

Camps are \$80.00 per child, per camp.

If you have any questions please call:
