This is all due to the tireless effort of the staff and you the members, so thank you for another amazing year. LGA News

It is hard to believe that the Ladies' golf season will soon be coming to an end. September 22nd was our last official day for the LGA but golf should continue well into the Fall. Our closing meeting started with a 9 hole scramble and was followed by a luncheon meeting and well deserved prizes. New Officers for the 2023/2024 season were elected and will be announced in the next Newsletter.

We would like to take this opportunity to thank the staff at Lone Pine that help make our LGA work so beautifully. The Pro Shop staff is so helpful with our Thursday golfing events and we are grateful for: Mike, Garrett, John, and a special thanks to Freedom who can handle anything that is asked of him. Chef Jordan and his kitchen staff helped make many of our golfing events a success because of the food they presented. Kathy, and Jen, and the dining staff are wonderful when we come in hungry after golf. Of course the LGA depends on the diligent work of the office staff, and Randy, Garrett, Slavy, and Lisa are always willing to assist. Mostly a big shout out to Joe Meneskie for our fabulous Lone Pine Country Club.

"From the Course"

October is a busy month for our crew. With the grass growth will begin to slow down, we will begin to deal with falling leaves. I plan to aerify tees and topdress them with sand in the next week or two. We also plan to aerify fairways toward the end of the month. One thing I have noticed this year and especially over the last month is how many unrepaired ballmarks we have on the greens from day to day. Please take the time to repair them!

BANDITS NEWS

The Bandit Year officially came to a close with our luncheon on September 16; however, we will continue to play on Tuesday and Friday as long as the weather and common sense will allow. Starting on October 2 we will be starting our shotgun at 10 AM. Our pairings are made from a blind draw and we always play at least a net/gross skins game. Team games will also be played if numbers allow. Tees are age appropriate; under 67 white, 67-80 gold, and 80+ red. The avg. Bandit age is, if everyone is telling the truth, 75 and the avg Bandit shoots 96.

As part of a recruiting campaign, we are opening our ranks to male members that would like to experience Bandit Golf, to join us in these October rounds. Just show up about 9:30 on any Tuesday or Thursday.

Rick Christy has been one of the leaders of the Bandits for 15 years and announced his retirement at our end of year luncheon. He will still be playing but maybe enjoying it more. For better or worse I was selected to fill his shoes. Luckily, I have big feet. See you on the course

“From the Kitchen”

Hello,

I truly don't believe it, even though its right in front of my face, I cannot believe that it is already October. Time flies when you're having fun I suppose, but amid all the fun of September we didn't find time to finalize our updated Grill Room menu and for that I apologize. Rest assured that Bob and I will be working diligently in October to bring some new items your way.

As far as other events of importance in October we have our member/guest outing on Saturday the 8th with will include breakfast and a lunch buffet following golf. Also take note that we will be closed in the Grill Room on the evening of Thursday October 13th for a private event.

Other than that, I have no real updates from the kitchen for you. I hope to have the revised menu to you sooner than later, but it will be available at some point in October, I've found that promising dates can quickly make me a liar so we will leave it at October.

That all I have for you this month, as always, I will be around and available for any conversations that you might want to have so feel free. Happy October everyone, enjoy it before you wake up and its November!

Best Wishes

Jordan
