Hello all,

Happy Spring! I am excited to begin the 2023 golf season, which I am anticipating to be another amazing year here. I encourage all new and existing members to sign up for our events this coming month. Please check out the golf shop for sign up sheets for our Masters Par 3 Competition, Men's Opening Day, and the 2023 Lone Pine Cup.

Starting Saturday, April 1st we will be officially opening the driving range for the season. Opening the range means we will be hosting several fitting days.

Dates and times are as follows:

TaylorMade : Sunday April 2nd at 11:00am-4:00pm

Callaway: Sunday April 16th at 11:00am-4:00pm

Mizuno: Wednesday April 26th at 1:00pm-5:00pm

I encourage anyone who is interested in getting fit for new clubs to contact the golf shop to set up a fitting time.

Starting April 1st we will be starting our preparations for this year's 52nd Annual Men's Invitational. Information packets will be sent out to all members with information about this year's event. We are taking signups in the golf shop, and I am excited to say we are halfway filled up for the event already. I encourage anyone interested to sign up before we are sold out and have a wait list. This is truly a can't miss event and I look forward to it every year. I am looking forward to everything that 2023 will have to offer. Here is to a dry and warm golf season.

Bandit's News

It's April, spring has sprung and the Azaleas and Magnolias are in bloom or they will be around Amen Corner. But if the Masters is being played then the Bandits play can't be far behind. There has been a good response and we should have over 30 for the Bandit Opening Day Breakfast on the 14th of April at 9 AM. Hopefully the weather will allow us to at least wade around the course. As I recall, last year we missed play on opening Friday and the following Tuesday because of cold-wet weather.

I am optimistic that the Bandits will have a banner year. Let's make it so. See you at breakfast. As always, I can be reached by e-mail, lpcc_bandits@aol.com or phone

"From the Course"

With every new year comes an unpredictable spring season. Our priority at the moment is getting the bunkers edged, raked, and ready to go. We anticipate beginning this upcoming week to get things ready for April, as well as getting all the debris off the course from these past few weeks.

Most of our projects have been very minor since my arrival to Lone Pine back in January. We finished repairing the drainage on 17 and after the sod has healed in, we will remove the ropes. Once the weather starts to stay consistent, we will be aerifying and top dressing tees.

The greens are looking great coming out of winter. They've been aerified with solid tines and will be getting a light topdress next week given the weather conditions. Our approaches, tees, and fairways look great after having their first mow. Unfortunately, we did notice some damage on the fairways that will need to be addressed. We will work on getting everything fixed during the season.

I'm excited to get the season started and see you guys out there golfing.

“From the Kitchen”

Hello _____ all!

Spring is finally here! No more short days and long nights, no more snow (hopefully) and most importantly, no more old menu! Yes, that is right, I have achieved my goal of completing the menu by April! You will notice new items, returning items as well as the classics you have come to love. The new menu will go into effect on Wednesday April 5th so please stop by the grill room and check it out, we have several new options so maybe you will find a new favorite! Aside from the new menu, the spring bloom and the start of golf season, there isn't much new (as if that wasn't enough excitement for one month). The bandits will hold their opening day breakfast on Friday April 14 at 9 am. Men's opening day is slated for Saturday April 22 and will include breakfast and lunch. Stop in the pro shop to sign up for this event and be on the lookout for the menu. There are also a couple of special Wednesday buffets going on this month that I would be remiss if I did not mention that first, we have the Master's buffet on Wednesday April 5. This buffet will be based on Scottie Scheffler's Masters menu and will feature some of Scottie's favorite selections presented Lone Pine style. In addition to the Master's buffet, we have a tequila tasting and an accompanying Mexican buffet on Wednesday April 12. Please call the office for all buffet reservation.

That's all the new business from me; with the new menu, new buffets, and new season, I'm all out of new things for you. So, with that said I'll close this like I always do, if you have any questions or comments please don't hesitate to reach out or track me down, I'm always willing to listen and do what I can to make your dining experience at Lone Pine a good one.

Best Wishes!

Jordan
