#### *Greetings from your Pro!*

Challenge Accepted! If you don't know what I am talking about, Duane's article will help clarify as we take the STAG events and turn them into something totally different.

Ushering in a new era in golf, we are looking to be more inclusive. We will open events to more of the membership starting with the event formerly known as the STAG. Going forward we will now be calling the monthly "STAG" Events **Impress Your Guest Days**. They are open to male and female members and their guests. The price will be \$75 per member and \$95 per guest which includes: lunch, golf, cart, dinner and prizes. This is the best deal going if you are looking to entertain family, friends, coworkers or customers.

Continuing with the open style format, the Brotherman Classic June 3, 4 and 5 is open to any member or guest that has a USGA handicap. The event will be June 4 and 5 with an optional practice round on the 3<sup>rd</sup>. \$50 covers your entry for both days with payouts on a computer drawn better ball of partners, one best net, one best gross of the foursome, individual net skins both days, and a separate 2 day Chicago point total for the coveted Brotherman Classic Cup.

The Parent Offspring is scheduled for Saturday June 18. This is open to Male and Female Members playing with sons, daughters, mothers or fathers. We will not run it as a shotgun this year, anyone that wants to play just needs to tee off by 12:00 pm.

The Player Development Programs have been well attended and are growing weekly. This month we are offering AimPoint Level 1 and 2 on June 11 and a Level 3 class on June 23. Please call for details or to sign up. This is the fastest, easiest way to read greens. #MakeEverything.

The Men's Invitational still has a few open spots to round out another flight. We do need to get the orders for your tee gift in as soon as possible to try and get them here before the event. If you have not signed up yet and want to play, please call or stop in the shop.

The Ladies Invitational, scheduled for July 14, signup has been posted in the Ladies Locker Room.

The Member / Member will be held on June 11 and the price will now be \$40. Pick your partner and tee off by 12:00 to participate. This will be held in place of SWATS on the 11<sup>th</sup>.

From your entire Professional Staff,

*J. R. Pond, PGA Golf Professional*

## ***"From the Course"***

May was quite a wet and busy month for the grounds department. The turf really took off and a lot of time was dedicated to keeping up with mowing in between rain showers. Along with that we were able to plant all of our annual flowers and started mulching the flower beds. We have also started edging and trimming bunkers. We will finish that in the coming weeks.

Moving forward into June, our focus will be to finish edging the bunkers and to finish mulching the flower beds. We will also begin to mow down the naturalized areas which will take two to three weeks. The plan for greens will be for two light applications of topdressing before the 4<sup>th</sup> of July. These will have no impact on play or the quality of the putting surface.

See you on the course!

## ***"From the Kitchen"***

***Hello ~***

The Challenge is on! I guess I should explain.

Awhile back, I went to JR and said, "We need a different type of golfing event." Something that is not so country club-ish (old school)." JR replied, "Like what?" So, I say, "Take one event that is underachieving, such as the "Stag" and do something progressive (thinking FUN), involving a cross section of the club." JR exclaimed back, "IF I do that, could you do a menu that isn't so "OLD SCHOOL"? One that is not so heavy on proteins and not so much butter and cream? Something light and utilizing more fresh vegetables? Perhaps, a menu involving Umami. And remember, there are other carbonated, alcoholic beverages than just beer!" As I shout back, "OH!" (Really showcasing my wits), "So if I do my part and you do your part then perhaps we will have a one-of-a-kind Golf/Dining event!"

So, stay tuned and see what twisted, love child of an event can be created by a Chef and a Golf Pro.

*To All, Take Care!*

P.S. If you know JR, then you know the above was paraphrased.
