I want to thank everyone for a wonderful Memorial Day kickoff to the summer. Member appreciation day was a huge success and we plan on doing something similar in September for Labor Day.

As we move from our soggy spring into prime golf season I have some exciting news and updates including new arrivals to the shop, information about upcoming events, and results from our Memorial Day Men's Event.

I am excited to introduce LinkSoul to everyone. LinkSoul is John Ashworth's most recent project featuring treated cotton and cotton blended polos, stylish lifestyle layering pieces, and best of all the boardwalk short. This short is designed to be worn on the course, in the grill and even in the water. I began wearing the LinkSoul pants in January and quickly fell in love with the comfort, style and durability. Men's and Ladies Puma apparel will also be arriving this month. Although the weather hasn't been ideal, the shop is stocked and we are ready to help you get your summer style and your golf game on par.

In our upcoming events, the handicap committee has asked that we conduct some of our club events as Tournament Rounds. Events to be included this year will be the Medal Play Championship, V.C. Neal Senior Club Championship, and our Labor Day Men's Event. The Professional Staff will post the participants scores for these events as Tournament Rounds. The Professional staff will also begin posting scores for participants in the weekly SWAT event to help avoid backups at the score posting station in the shop.

I am really looking forward to this year's Invitational Tournament. This event is the crown jewel of the Men's Calendar and has continued to grow each year since joining the Lone Pine Family. The Course and Grille Room will be closed all day Friday June 16. Saturday June 17 the course will open at approximately 4:30 PM, however, the Grille will be closed all day for the event.

Ladies, the Ladies' Guest Day signup for June 29 is posted in the ladies locker room. I want to thank Jackie O'Boyle for chairing the event. I would also like to thank the Patooties (9 Hole Ladies) for chairing this year's Ladies Invitational. Your assistance is greatly appreciated as the LGA continues to grow.

For any ladies interested, we will be holding another workshop series focusing on Games for Skill Development. We are looking at Tuesdays or Fridays in August, possibly something in the evening. Please call if you are interested and we will see what works best for the majority of the group.

I look forward to seeing you at the club.

“From the Course”

It is no secret that the golf course has received a lot of rain this past month. That being said it has not held us back from getting the golf course ready for summer. Last week we filled the last bunker on #2 with sand. The sand still needs to get packed in but it is undoubtedly a great improvement and will be a nice enhancement to already beautiful Par 3 for years to come. While removing sand from those bunkers we were able to salvage some good sand. We added that sand to #13 greenside and #14's left bunker. The extra sand will allow for a better lie compared to before. We are currently in the process of going thru the rest of the bunkers cleaning up the edges and grooming them.

As we head into the busiest months of the season I want to remind everyone to repair ball marks on greens. Also please follow any ropes, stakes or signs placed throughout the course. After a month of rain like we have just had, they are in place to protect the turf from any cart or mower damage.

See you on the course!

Brian Lechliter—Course Superintendent

“From the Kitchen”

Hello,

It is June and summer is upon us. I look at summer as a promissory note signed in June, Its long days spent and gone before you know it and due to be repaid next January.

I believe, you see, any healthy, young male can be a father, not everyone is a DAD. I think it should be “DAD’s DAY.” So, the question is “What is a DAD.” I think a Dad is someone who wants to catch you before you fall, but instead picks you up, brushes you off and lets you try again. A Dad is someone who wants to keep you from making mistakes but instead lets you find your own way, even though his heart breaks in silence when you get hurt. A DAD is someone who holds you when you cry, scolds you when you break the rules, shines with pride when you succeed and has faith in you even when you fail. You see, it should be “DAD’s DAY.”

Speaking of Dads, mine taught me everything I know, unfortunately he didn’t teach me everything he knows. You see, the rest I learned every day through all the bumps & bruises that life brings every day!!

ll, Take Care,

Duane Steiniweg—Chef
