Greetings from your Pro

Happy Holidays to everyone! I hope everyone had a wonderful Thanksgiving with family and friends. As we approach Christmas we are here to help you find that perfect gift for the golfer who has everything.

REMINDER: Shop credit should be used before the end of the year so we are going to make it easier than ever to use up your leftover credit. If you are in need of new grips, they are now covered under your shop credit. New grips save an average of 3-4 strokes per round, let us give you a new handle on your game so your clubs are ready when the weather is.

Bushnell laser range finders and GPS watches are in stock and ready to surprise that special golfer on your shopping list. Enjoy special savings on select in stock equipment, hats, and apparel. Make sure to get in early for the best selections.

WE GIFTWRAP!!!! Relax this holiday season and let us help you shoulder the burden of gift giving. Call in your orders or stop in and we will happily wrap your purchases. We will even store your purchases keeping you from worrying about where to hide all those gifts until Christmas.

Our "Almost Famous Holiday Sale" will be December 3, we will open at 10:00 am and stay open all the way through the cocktail hour of the Holiday Party. Join us as we get into the festive spirit with drinks, music, and savings.

Thank you for another great season and I look forward to seeing everyone at the wonderful events Chef Duane and the event management team have planned throughout the winter months.

“From the Course”

With winter fast approaching, we take our focus from the turf to maintenance of the equipment fleet. We clean and service every piece of equipment and make any necessary repairs to ensure that the fleet will be at its best for the coming year. On the course we will be removing dead trees and doing a final cleanup of leaves. Once the greens have been cut for the last time before winter they will be heavily toppedressed like in previous years to help protect the plants throughout the winter months.

I would like to thank you for a great 2016 and look forward to seeing you all on the course in 2017!

Merry Christmas and Happy New year!

See you on the course!

Brian Lechliter—Course Superintendent

“From the Kitchen”

Hello ~

“How did it get so late so soon? It is night before it is afternoon. December is here before it is June, my goodness how the time has flown. How did get so late so soon.” (Dr. Seuss)

December evokes memories of Christmas to all, I assume. For me it is like this. Each Christmas I remember the ones of long ago, I can see our fireplace mantel with stockings in a row.

Each Christmas finds me dreaming of the days that used to be, when we hid presents here and there for all the family.

Each Christmas I remember the fragrance in the air of roasting turkeys and pies with cookies galore.

Each Christmas finds me longing for Christmas past and I am back in childhood for as long as the memories last.

I am sure each and every one of us can identify with that. And if you find yourself on Christmas morning with children about, then one of the most glorious of messes is created on the living room floor. Do yourself a favor, don't clean it up too fast, because soon that will be a memory. One that you will wish would last.

On to something different. I want to clear up some confusion about brunch. Brunch with Santa will be on December 18th, then Sunday brunch starts back on January 8.

Wishing all of you the best and safest of Holidays.

To All, Take Care!
