Hello Lone Pine!

The golf season is coming to a close, but thanks to some great weather in November we are still holding on! Brian has been working hard to keep the course in great shape and I know all of you have noticed his efforts. It has been great seeing everyone here playing and supporting the Club. It takes all of you to make Lone Pine successful!

Christmas is approaching and we have some great deals in the Golf Shop! All clothing will be discounted 30% - 50% off. Golf clubs, demo clubs and golf bags available at discount price. All prices are for in-stock merchandise only. Special orders will receive the normal member discount. We have a great selection of men's and ladies' clothing and I am sure you will have no problem finding a gift for your special golfer. Please keep in mind all Golf Shop credit expires December 31st.

If you are looking for a great gift idea for your special golfer I will be offering winter lesson packages at the RMU Island Golf Center. Lesson packages are \$250 for 5 - ½ hour sessions and include a large bucket of balls. Please give me a call for availability. This is a great way to get a jump start for the Spring golf season!

My first 4 months at Lone Pine have been great and I appreciate all of your support. You have no idea how happy I am to be back in the golf business doing what I love. Thank you for that opportunity. I look forward to a long career as your Golf Professional. My staff and I want to wish all of you a safe and happy Holiday Season!

Your Pro,
Larry Roytas, PGA

“From the Course”

With winter fast approaching, we take our focus from the turf to maintenance of the equipment fleet. We clean and service every piece of equipment and make any necessary repairs to ensure that the fleet will be at its best for the coming year. On the course we will be removing dead trees and doing a final cleanup of leaves. Once the greens have been cut for the last time before winter they will be heavily topdressed like in previous years to help protect the plants throughout the winter months. I would like to thank you for a great 2017 and look forward to seeing you all on the course in 2018!

Merry Christmas and Happy New year!

“From the Kitchen”

Hello,

There is something about Christmas that requires a rug rat. Little kids make Christmas fun. I wonder if I could rent one for the holidays. When I was quite young, we would buy a real tree and stay up late drinking hot chocolate and finding just the right place for special decorations. It seems like my parents gave up the magic when I figured out the Santa lie. Maybe I shouldn't have told them I knew where the presents really came from. It broke their hearts. Christmas was never the same.

On to something new. Bob is introducing special Sunday Family Dinners. The meal will be served family-style and will feature mainly home-style comfort food. Brunch with Santa will be December 17th, then Brunch will resume after the New Year. The November wine tasting went well. There will be more of them after the 1st of the year. Just a reminder, the Christmas Party will be on December 2nd. It will have the largest display of food that I have ever done here. Many of the club's favorites will be offered, such as pan-seared scallops, roast beef tenderloin, and colossal fried shrimp to mention a few.

Well, I am still not sure what to ask for this Christmas. Last year I asked Santa for “the sexiest person ever”.....I woke up in a box.

To All, take care and have a wonderful Christmas!
