News from the Pro

Happy Fall Y'all,

With Thanksgiving and Christmas quickly approaching I want to take this time to reflect on the year we have had here a Lone Pine. First, I would like to start by thanking my staff, Tim, Kyle, Freedom, Jordan and all my outside staff. Their hard work throughout the year is what allows this club to be the best it can be, thank you guys for all your dedication and hard work, it is greatly appreciated. Secondly, I would like to thank you, the members. You all are the reason this club is thriving and is moving in the right direction. Thank you so much for your continued support and loyalty to this club. As far as the year, we had a rough start with a very wet spring but we more than rebounded with an amazing summer and an even better fall so far. The weather this fall has allowed us to enjoy some great days of golf and I hope this trend continues. I close out this season hopeful for what the next year holds for me, my staff, and the club. Thank you again for everything and making this one of the best clubs in western PA to be the pro at.

Congratulations

With Christmas approaching fast it's that time of the year again to get that holiday shopping done. There is no better place to holiday shop and spend your hard-earned pro shop credit. Our annual Holiday Sale will be held again on Saturday November 26th from 9am until 5pm. Come take advantage of the great sales only offered at our holiday sale. We will have FootJoy here doing a trunk sale with the brand new 2023 shoe line. So don't miss out on these amazing deals. Your Board Members will be working hard over the next few months planning our golfing season for 2023. Top on the list of discussions will be how we can encourage more Lone Pine lady golfers to join our LGA. We will be planning Saturday events and evening events so as to appeal to all levels of our lady golfing members. We encourage all interested ladies to call the club so they can put you in touch with the LGA for more information. We will welcome you with open arms.

Please watch for more information as to what the LGA has to offer and why being a member has so many advantages.

Bandits News

October gave us a few chances to enjoy the last of days of the 2022 season but maybe with a little luck we can squeeze in one or two rounds. Some of the Bandits have already flown south for the winter, the rest of us will stick around and enjoy the white flakes of winter and look forward to an early spring. Throughout the winter the Bandits maintain a Tuesday and Friday presence at the club playing "poker" or as my son calls it; seven old men sitting at a table passing change to each other while telling questionable stories of past exploits. It's a wonder any of us survived.

I hope to see everyone at the Holiday Party, our golf game has suffered over the years but time has not slowed our enjoyment of eating and drinking. Enjoy the November holidays of Election Day and Veterans Day and as you spend the Thanksgiving holiday with your family and friends remember to give thanks for the ability to enjoy the life of living in this great country.

"From the Course"

As we head into November, we will start to focus on getting the course ready for winter. Leaf and debris cleanup will take up a significant amount of our time in the coming weeks. We will also be winterizing the irrigation system and get our final mowings in for the year. As weather allows, we will lightly topdress greens and tees. We recently completed tee aerification. Once we get a handle on leaf cleanup we will continue with fairway aerification.

Please remember frost delays are common this time of year. We do our best to get play started once it lifts and we can get the course ready for play.

“From the Kitchen”

Hello All

Well, it's that time again; November is upon us, and the golf season has come to a close. This brings along with it winter hours for the Grille Room, which will be Wednesday – Friday 11:00am – 8:00pm and Saturday from 4pm – 8pm. However, just because our hours are limited doesn't mean that we aren't still working to bring you new and exciting dining experiences here at Lone Pine this offseason.

First off we will be returning to Wing Night on Thursdays, and will be offering boneless as well as bone in wing specials, along with new wing flavors for you to try. In addition to the wings, Garrett and I have been working on new member activities for Thursday nights (ex. Bingo night, movie night) so be on the lookout for more information about these special events. We will also be focusing more on bringing in unique and exciting dishes for our weekend specials, check your email weekly to see what I have in store for the weekend!

Lastly, we will be having a wine tasting in the month of November, as of right now the date is set for Friday November 18th. That's all from me this month, I look forward to seeing you all at the club this winter and hopefully I see some of you at our special member events! If you have anything you want to talk about just flag me down and I'm all ears.

Best Wishes
Jordan
