Membership continues to grow and it's been great to see a lot of new faces here. We are setting up to have a record year here and I couldn't be more excited. I want to lastly commend Chad our new golf course superintendent and his staff for getting the golf course in amazing shape.

"From the Course"

With the golf season finally underway, I would like to remind everyone of a few things you can do as golfers to help keep Lone Pine looking and playing its best. First, please repair your ballmarks. You guys have been doing a great job this spring and just keep it up. Second, please use caution when driving throughout the course. The wet spring, we have faced is leaving areas more saturated than normal and they are not drying out as fast. Lastly, please avoid parking golf carts close to the greens. If you can walk onto the green within 3-5 steps, you are parked too close!! Please, remember to fill your divots with green sand located on your carts and in the divot boxes next to tee's.

Looking ahead to this week. We will be aerifying greens with solid tines once again and topdressing right after. We will continue to try and keep up with the growing grass and give you guys the best playability as possible. This month, 13 fairway damage that happened this winter will be fixed and 12 drainage project will be leveled and seeded.

Chad Botos - Course Superintendent

Bandits May News

The Bandits would like to welcome Ted Malloy to the fold. Ted is used to flat courses of FL, once he gets accustomed to the PA hills he will be fine.

The **Bandits** had five scheduled playing dates in April however, Mother Nature had other ideas and we only managed two. Our Opening day went very well having 33 Bandits at our Breakfast meeting. Seven foursomes played; we still have a few on the disabled list. Hopefully by mid-June we should be at full strength.

Our tee times are moving to 9:30 starting on May 2nd. If anyone has any questions about the **Bandits**, please contact me; LPCC_Bandits@aol.com or 919-244-6980.

See you on the course,

Bob Figulski (Fig)

“From the Kitchen”

Hello,

Well, golf season is here, well technically here. Though we are fighting off the last of the April showers, the weather will eventually break, and we will once again be outside enjoying the sun’s inviting rays. With the return of golf season and good weather comes the return of another Lone Pine institution. The Hit & Giggle golf outings. The first H&G of the year will be on Saturday May 6th so be sure to call the office or stop in the pro shop to sign up. If the May 6th date does not work for you do not worry, we will be having our second Hit & Giggle of the month on May 27th. Saturday May 20th will be our Men’s Best Ball tournament with an included breakfast at 8am. Stop in the pro shop to sign up or for more details. Other than the return of the Hit & Giggles I do not have much new business to tell you about. The new menu is already in full swing, so if you haven’t been in a while stop in the Grill Room to see what’s new, your new favorite might be waiting! I guess that’s all I have for you this month, if you have any questions or comments, feel free to reach out to me or just stop me at the club.

Best Wishes, Jordan

Ladies Golf Association

The LGA is inviting all Lone Pine lady golfers to join us for a “Meet and Greet” 9 Hole Scramble on Saturday May 13th at 10:30 am. There is a sign up sheet in the Pro Shop. This will give us all an opportunity to get to know each other a bit better and to enjoy lunch together afterwards. Please sign up and enjoy the event.

Our ladies opened the 2023 season with a breakfast meeting followed by a 9 hole scramble. The delicious buffet was prepared by Jordan and his staff to the satisfaction of all of the ladies!

Hopefully these last couple weeks of beautiful weather will continue into the summer because we ladies plan to be hitting the links pretty hard all season!

 LGA President
