BANDITS NEWS

You don't stop playing Golf when you get old
You get old when you stop playing golf

The Bandits would like to welcome Ted Malloy to the fold. Ted is used to flat courses of FL, once he gets accustom to the PA hills he will be fine. The **Bandits** had five scheduled playing dates in April however, Mother Nature had other ideas and we only managed two. Our Opening day went very well having 33 Bandits at our Breakfast meeting. Seven foursomes played; we still have a few on the disabled list. Hopefully by mid-June we should be at full strength.

Our tee times are moving to 9:30 starting on May 2nd. If anyone has any questions about the **Bandits**, please contact me; LPCC_Bandits@aol.com or 919-244-6980.

See you on the course,
Bob Figulski (Fig)

“From the Kitchen”

Hello All!

Can you feel it? The days are longer, the mornings are warming up and the sun has decided to grace us with its presence for the first time in several months. Yes folks, that familiar feeling in the air can only mean one thing; summer is right around the corner! The time is here for golf filled days and relaxing nights on the patio, let us help you unwind and enjoy the weather in the Grill Room which now has extended Sunday hours. (11:00-7:00) As usual we will have two hit & giggle events the month of June, one on the 10th and one on the 24th. Make sure to call or stop by the pro shop to reserve your spot today. Also be aware that the men’s invitational event will be taking place from June 15th to 17th, the grill room will close for the event Thursday the 15th at 4pm and will reopen Sunday the 18th with normal hours. With the return of summer, I thought it would be appropriate to bring back the Friday night cookout. I am still working out all the details but expect to see info on the first cookout on the patio before the month is over. There is not too much other new business on my end so I suppose I will wrap this one up by once again saying, if you have any questions, do not hesitate to ask. Same goes for comments or suggestions, I’m all ears.

Best wishes
Jordan

“From the Course”

With the rainy days of spring finally over, summer weather is finally here and here to stay. I would like to reiterate some of our golf course guidelines. We ask that you continue to fix the ball marks, keep the carts away from greens, and repair the divots made in fairway tees.

May was extremely busy for us given that we’re a little short staffed at the moment. I just want to thank the crew for all the hard work they put into keeping our course in great conditions given our current circumstances.

For the month of June we will be watering more than usual in order to combat this upcoming dry heat. Keep an eye out for some sprinklers. We are aiming to start fixing the bare spots on 13’s fairway, as well as cutting down the native. With the new guys coming in early June, it’s all about the details going into Invitational Weekend. Our goal is to keep the course playing and looking excellent for all the members to enjoy. I would also like to thank everyone for the compliments on the course. We always appreciate hearing your feedback.
