“From the Course”

As challenging as August was, we have finally made it through. We've rescheduled aerifying for the 5th and 6th of September as long as the weather continues with its current conditions. Our goal is to have the greens fully healed in 14 days. If anything should change we will keep everyone updated.

For the upcoming fall months, we anticipate getting a few projects done around the course such as sodding out damaged areas and working on some of the drainage around the course. We will also be marking greens with red dots; just as a mowing guideline; for us to bring back the collars and push out some greens.

New Roof on Maintenance Shed

A special **thank you** to the construction firm of Nicolella Roofing Co.

Before anyone noticed, the roof was removed and replaced. A superior job was performed with safety and quality at the forefront. Eric, please pass a special "Thank You" on to the crew

The Grille Room will close at 3pm Tuesday, September 5 because of aerification

LGA News September

July and August were very active months for the LGA with numerous events to report on.

July 20th was our very fabulous Ladies Invitational attended by 96 woman who enjoyed golf, lunch, and tons of prizes. Jan Lis and Cheryl Ramsey worked diligently on this spectacular event to the accolades of all of the participants. Winners in Flight One: Lis, Gosney, Fox, Schawalder. Winners in Flight Two: Runco, Harrison, Clark, Rhome. Gross winners: Mowl, Scanlon, Synnott, Allison.

Another celebration in July was Barb Yablonski's Hole-in-One on #9! (Her 3rd Hole-in-One). Barb treated everyone in the club that day to bubbly refreshments. Congrats Barb!

Finally the LGA Championship Was played Aug. 1st and 3rd with the best golfers securing the trophy! This was a challenging event with friendly competition and fun for all. The winners are: Low Gross - Leisa Shawley, Low Net 1st Place - Lois Williams, Low Net 2nd place - Shirley Runco, Low Net 3rd place - Julie Harrison.

Thank you,

Jackie O'Boyle, President LGA

“From the Kitchen”

Hello All,

September is here and it's official, we are in the final days of summer and autumn is fast approaching. The days are getting shorter and the nights cooler, and before long the leaves will turn, revealing brilliant autumnal hues before they ultimately fall from the trees which bore them. It's a cycle as old as time, yet the natural beauty of it all never gets tiresome. However, we haven't fully reached that point yet and we do have a few weeks of summer left, so why not try to make the most of it? Here in the kitchen, we will be kicking off the month with a Hit & Giggle on Friday September 1st. If you were unable to sign up for the event, fear not because we will be having another Hit & Giggle at the end of the month on the 30th. This, however, will be our last one for the season, so if you miss out, you'll have to get a rain check for next year! We will also be having a 4-course wine tasting and food pairing on September 15th. Be on the lookout for additional information on that event. Seating for the wine tasting will be limited so make reservations quickly before the event sells out. Other than that, there is not much new in the kitchen world, so I am going to wrap this up the same way I always do. If you have any questions or comments feel free to reach out to me either directly or via email, I'm always happy to discuss foodservice with our members!

Best Wishes
Jordan

Bandits News

You don't stop playing golf when you get old, you get old when you stop playing golf.

The grandkids are back in school, the Fedex Champion has been crowned and the Ryder Cup is on the horizon; must be September. The Bandits are looking forward to our Closing Day on the 15th. All dues paying members are welcome at our luncheon after golf. Any qualified members are invited to join our game. Any non-qualified member who wants to play please contact me by the 11th.

Just remember Bandit golf does not end with our closing date. We invite any members interested in finding out more about us to join us any Tuesday or Friday as long as weather permits. I also wanted to congratulate George Rose on his Hole in One on # 2 on August 22nd. This was George's third and the second by a Bandit this year. Just remember the words of Henry Aaron, "It took me seventeen years to get three thousand hits in baseball. It took one afternoon on the golf course."
