Hello All,

With the fall and winter holidays quickly approaching I want to take this time to reflect on the year we have had here at Lone Pine. I am happy to say we have had a very successful year for us thanks mainly to you, the members, and some help from mother nature. Rounds of golf have been at an all-time high this year and membership continues to grow every month. A lot of this could not be possible without the tireless effort of the staff here at Lone Pine. I want to personally thank my staff Freedom, John, and all my outside staff members for helping me keep our golf department running smoothly. If you have an opportunity, please let these hard-working individuals know just how much they mean to us here. I also want to thank Chad and his staff as well and Cathy and Jordan and their staff for everything they do. I am looking forward to seeing what 2024 has to offer us here at Lone Pine.

Congratulations

LGA News

So hard to believe that our Ladies golf season has officially come to an end for 2023. September 28th was our closing meeting and luncheon and was preceded by a 9 Hole Scramble.

During September we enjoyed many golf events including the Ladies Chapman, The Ryder Cup, and the Lone Pine Ladies Golf Championship won by Shirley Runco as Gross Champion, and Jan Lis as Low Net Champion.

It has been a wonderful season due to the assistance of the Lone Pine Staff. Thank you to the Pro Shop, the Administrative Staff, to the Kitchen Staff and the Wait Staff. You have made our golf season successful and filled with fun.

Thanks,
Jackie O'Boyle, LGA President

"From the Course"

October is a busy month for our crew. With the grass growth will begin to slow down, we will begin to deal with falling leaves. I plan to aerify tees and topdress them with sand in the next week or two. We also plan to aerify fairways toward the end of the month and cut down more of the native grass. Greens have grown in great after aerifying last month. Please as a reminder, keep fixing your ball marks and filling your divots.

BANDITS NEWS

The Bandit Year officially came to a close with our luncheon on September 15; however, we will continue to play on Tuesday and Friday as long as the weather and common sense will allow.

Starting on October 3 we will be starting our shotgun at 10 AM. Our pairings are made from a blind draw and we always play at least a net/gross skins game. Team games will also be played if numbers allow. Tees are age appropriate; under 67 white, 67-80 gold, and 80+ red. The avg. Bandit age is, if everyone is telling the truth, 75 and the avg Bandit shoots 96.

As part of a recruiting campaign, we are opening our ranks to male members that would like to experience Bandit Golf, to join us in these October rounds. Just show up about 9:30 on any Tuesday or Thursday.

Bob Figulski

Daylight Savings Time ENDS Sunday, November 5. Set your clocks back 1 hour.

The Grille Room will begin Winter hours of CLOSED on Sundays, Mondays & Tuesdays beginning November 1.

“From the Kitchen”

Hello,

Well, somehow it is October and all I can say is where does the time go? It feels like yesterday that I was writing to you about how excited I was for the upcoming summer season yet here I sit, with October on the horizon and summer far in the rear view. October is genuinely one of my favorite months, not just because of the pretty leaves or crisp weather, but because it's the last real chance to get outside and do something before winter rears its cold, ugly head and forces us all into hibernation. It is the month to take your opportunities when you get them and from what I'm seeing, the first week of October is set to have some near perfect golf weather so get out there!

Now as for the food side of things we do have a couple of events coming up this month that I would like to take this time to shamelessly plug. First off is the wine tasting dinner on Saturday the 14th, this will be a 4-course dinner with wine parings for each course. Seating is limited to 30 for this event so act now to ensure your spot. If wine isn't your thing, we also have the 3 Jacks and a Jill golf outing on Sunday the 15th which will include a tailgate-style buffet on the patio afterward.

Other than that there is not really much new in the kitchen so I'm going to wrap this up, so as always if you have any questions or comments, feel free to reach out.

Best Wishes

Jordan
